Professional Development Event: Prescribing Exempted Codeine Products

Thursday, January 14, 2016 Dinner: 6:00 - 7:00pm Presentation: 7:00 - 9:00pm

SPEAKERS

Brent Booker (BScPharm, PharmD, CDE) and Jamie Falk (BScPharm, PharmD)

LEARNING OBJECTIVES

After attending this presentation participants will be able to:

- Assess the appropriateness of a patient's request to self-medicate for a recognized medical or dental reason
- Examine the appropriate use of opioids in chronic pain
- Evaluate a patient's addiction potential
- Summarize prevention tactics for diversion of exempted codeine preparations in primary care
- Describe and apply the applicable sections of legislation, standards of practice, and practice directions related to prescribing exempted codeine preparations
- Complete the appropriate prescribing documentation for self-limiting conditions prescribing
- Implement the process of prescribing for exempted codeine preparations into your practice
