

# CULTURE SHIFT 101:

## SAFETY AND JUST CULTURE IN COMMUNITY PHARMACY

PRESENTED BY THE COLLEGE OF PHARMACISTS OF MANITOBA

### REGISTRATION:

To register to attend the event in-person, via video-conference, or webcast, please call the College office at **204-233-1411** or email **profdevelopment@cphm.ca**. Provide us with:

- your full name
- your licence number (if applicable)
- whether you are participating in-person, at a rural MBTelehealth site, or webcast
- dietary restrictions (if attending in-person)

Registration deadline is **May 22, 2018**. This event is **free** to attend for pharmacists and pharmacy staff.

This program will also be available on the **Previously Recorded Programs** page of the College website following the live webcast.

### ACCREDITATION:

This program has been accredited for 2.0 CEU by the College of Pharmacists of Manitoba (Accreditation No. 18012M) for pharmacists and pharmacy technicians in Manitoba (Expiry date: May 31, 2019).

### WHEN:

**May 29, 2018**

**Dinner: 6:00-7:00pm**

**Presentation: 7:00-9:00pm**

### WHERE:

**In Person:**

**Samuel Cohen Auditorium**

St. Boniface Hospital Research Centre  
351 Taché Ave, Winnipeg, MB

**MBTelehealth:**

**Contact the College of Pharmacists of Manitoba office for available sites.**

**Webcast:**

**St. Boniface Hospital Research Centre:**

[www.sbrstream.ca/1/page/Home.aspx](http://www.sbrstream.ca/1/page/Home.aspx).

Please note: St. Boniface Hospital Research Centre has created a new webcasting platform located at the above link. Participants must register a new username and password to participate. Please see the [webcasting instructions](#) for more information.

### LEARNING OBJECTIVES:

After attending this presentation participants will be able to:

- Define the characteristics of just-and-safe vs. blame-and-shame cultures
- Describe the current safety culture in Manitoba community pharmacies
- Engage strategies to improve the safety culture of your pharmacy through the experience of a community pharmacist
- Understand the emotional impacts of medication errors on healthcare professionals and supports available
- Identify new and enhanced resources available in Manitoba to embrace cultural shifts from a blame-and-shame to a just-and-safe approach to medication errors
