

COLLEGE OF PHARMACISTS OF MANITOBA

How to Stream Recorded Professional Development Programs

The College of Pharmacists of Manitoba (College) hosts a number of live events to support continuous professional development that enhances pharmacy practice in the province. These events are presented as live programs that are recorded by the St. Boniface Hospital Research Centre (SBRC), 351 Tache Ave., Winnipeg, Manitoba, in the Samuel Cohen Auditorium. Please follow the instructions below to access recorded professional development programs through SRBC.

1. Visit the SBRC website: <http://www.sbrstream.ca/1.aspx>
2. Click the 'All Folders' drop-down menu and click on 'College of Pharmacists of Manitoba:'

3. Enter the case-sensitive password 'CPhM:'

The screenshot shows a modal dialog box titled 'Password required for College of Pharmacists of Manitoba'. It has a close button (X) in the top right corner. Below the title is a text input field labeled 'Password'. At the bottom of the dialog, there are two buttons: 'Cancel' on the left and 'Submit' on the right.

4. Select the recorded webcast program you want to view
